MEMORANDUM TO FEDERAL LAW ENFORCEMENT

FROM: MadameKlair 
Attorney General of the United States

SUBJECT: Military Base Trespassing & DFPA Protection

After engaging in a conversation with the Director of the Defense Force Protection Agency regarding his agency's inability to enforce their protection details and arrest law enforcement for trespassing, I felt it was appropriate to prescribe a memo

Public Law 79-13 Part V sec(a) states that, "*Whoever, being an officer capable of carrying an arrest under the authority of the United States or any department, agency or officer thereof, makes an arrest to any other officer thereof, shall be imprisoned not more than 4 days, terminated from his employment, or both.*" This prevents the Defense Protection Force Agency from executing their agency's protective role and from arresting federal law enforcement who chooses to trespass on the property of the United States Military. Public Law 79-13 Part V sec(b) states that, "*It shall be made an exception for an officer, as defined herein, to make an arrest to any other officer thereof... with the consent of the Attorney General of the United States.*" Therefore, I am hereby authorizing employees of the DFPA to arrest any federal law enforcement found on the premises of our nation's military bases, but only after 2 warnings are given to ensure a chance to leave. Furthermore, I authorize the DFPA to arrest federal law enforcement personnel who violate their protection policies. If this privilege is abused, this memorandum shall be nullified.
