MEMORANDUM TO FEDERAL LAW ENFORCEMENT

FROM: MadameKlair *MadameKlair*
Attorney General of the United States

SUBJECT: Enforcement of Secret Service Policies

After engaging in a brief conversation with the Secretary of Homeland Security regarding the Secret Service being unable to enforce their protection details, I've decided to take action.

Public Law 79-13 Part V sec(a) states that, "*Whoever, being an officer capable of carrying an arrest under the authority of the United States or any department, agency or officer thereof, makes an arrest to any other officer thereof, shall be imprisoned not more than 4 days, terminated from his employment, or both.*" This section disallows the Secret Service from enforcing their protection and trespassing policies. Therefore, pursuant to Public Law 79-13 Part V sec(b) which allows for the Attorney General to make exemptions for blue on blue arrests, I hereby authorize the Secret Service to arrest federal law enforcement found trespassing on the White House grounds and to arrest federal law enforcement officers found interrupting or disrupting protection details in accordance with their policies.

Federal law enforcement personnel found retaliating against Secret Service or vindictive arresting for an arrest authorized by this memorandum shall be violating Public Law 79-13 Part V sec(a) and will be eligible for suspension or termination from their employment in the federal government. If this privilege is abused, this memo shall be nullified by the Attorney General.
