MEMORANDUM TO ALL FEDERAL LAW ENFORCEMENT

FROM: Madame Klair 
Attorney General

SUBJECT: Federal Reserve Police

After numerous complaints from concerned citizens, I find it appropriate to take action on the “US Federal Reserve Police”. 12 U.S. Code § 248(q)(2), regarding the Board of Governors of the Federal Reserve System, states that, “*The Board may . . . delegate authority to a **Federal reserve bank to authorize personnel to act as law enforcement officers** to protect and safeguard the bank’s premises, grounds, property, personnel, and operations conducted by or on behalf of the bank.*” At the current time, we do not have a Federal Reserve System, let alone a Board of Governors for said system. Of course, without the federal reserve system in place, it is impossible for a reserve bank (if one existed) to be delegated authority to employ federal reserve police officers.

12 U.S. Code § 248(q)(3) then establishes the powers that these officers have, “*Law enforcement officers designated or authorized **by the Board or a reserve bank** . . . are authorized while on duty to carry firearms and make arrests without warrants for any offense against the United States committed in their presence.*” It goes on to state more powers that the officers have – however, it is **impossible** for an officer to be appointed to begin with. Therefore, any employee of the “US Federal Reserve Police” operating on the team or exercising duties of a federal reserve officer is impersonating a federal law enforcement officer, in violation of 18 U.S. Code § 912.

In layman’s terms, anyone on the “US Federal Reserve Police” team or any employees of the “US Federal Reserve Police” are impersonating law enforcement. The group “US Federal Reserve Police” is operating illegally, and thus, **federal law enforcement personnel are to arrest anyone on the “US Federal Reserve Police” team at the District of Columbia, and to forward evidence of such directly to myself for further investigation.** The Department of Justice expects to issue indictments for aforementioned violations in the coming week(s).
